

„In-Country/In-Region Scholarship Programme“ South East Asia

**Call for Scholarship Applications 2021
at**

**Institut Teknologi Bandung, Faculty of Mathematics
and Natural Sciences (ITB, FMIPA)**

**Funded by the German Federal Ministry for
Economic Cooperation and Development (BMZ)**

Application Closing: March 16, 2021

Programme Objectives

The programme aims at fostering strong, internationally oriented higher education systems in South East Asia with the capacity to contribute to sustainable development. To this end, scholarships are granted for development-related Master or doctoral studies for individuals who plan to pursue a career in teaching and / or research at a higher education institution in South East Asia.

By training future academic and professional leaders, the programme contributes to the following **long-term impacts**:

- Qualified professionals' involvement in the solution of development-related problems in South East Asia
- Graduates strengthening education and research in South East Asia
- Structural strengthening and regional networking of partner institutions and partner universities

To achieve these long-term impacts, the following outcomes have been formulated as programme objectives:

Programme objective 1: Graduates have qualified to take over responsible positions in their, or for their, region of origin

Programme objective 2: The participation of women and underprivileged groups is reinforced

Programme objective 3: Organizational, financial and personal capacities of partner institutions are strengthened

As part of the „In-Country/In-Region Scholarship Programme“ DAAD offers scholarships for PhD and Master studies. The programme is funded by the German Federal Ministry of Economic Cooperation and Development (BMZ) and aims at university staff in the first line, without neglecting the public sector demand of academically trained personnel.

The target group for scholarships are graduates and postgraduates from Cambodia, Indonesia, Lao, Myanmar, Malaysia, Philippines, East Timor, Thailand and Vietnam with a first academic degree for a Master's programme, who want to pursue Master's courses in their home country (so called **In-Country scholarships**) or in another South East Asian country (**In-Region scholarships**).

It has been agreed upon that DAAD cooperates with the Institut Teknologi Bandung, Faculty of Mathematics and Natural Sciences by offering

- up to 4 In-Country scholarships/ up to 10 In-Region scholarships for the Master Program in Mathematics
- up to 3 In-Country scholarships/ up to 7 In-Region scholarships for the Doctoral Program in Mathematics
- up to 3 In-Country scholarships/ up to 7 In-Region scholarships for the Master Program in Actuarial Sciences

at the Faculty of Mathematics and Natural Sciences, ITB, for the intake 2021/2022
